Quarterly performance reported above is an estimate based on information available as of September 12, 2025 ("Closing Date"). Managers and other investments who have reported quarter-end valuation updates as of the Closing Date represent approximately 99.29% of your investment in the fund (calculated based on net asset value). For managers and other investments for which we did not receive quarter-end valuation updates by the Closing Date, we have adjusted for all cash flows and valued the investments based on the valuation information most recently received.

You should not assume that the performance shown is current as of any date other than the dates described above for each applicable component of the fund's portfolio or that subsequently received performance updates will be comparable. This statement contains confidential information intended solely for a specific purpose and for a specific individual or entity; it should not be disclosed in any form to unauthorized parties. The limited partners of SCHF US, L.P. are subject to confidentiality obligations as set forth in the definitive agreements with the general partner. Information contained herein is unaudited, estimated, and will be subject to change. Past performance is not necessarily indicative of future results.
