MARKET VALUE OF SECURITIES

We understand the importance in ensuring your account receives timely and accurate pricing valuation reporting. We use third party vendors (ICE Data Services and Quodd Financial Information Services) and third-party quotation or other services to provide prices. Prices are given only as a general guide for indication only. They should not be construed as prices or an actionable value at which the assets could have been, or could be, bought, sold or transferred.

The frequency of pricing updates published to your account is based on the asset type and class. Generally, U.S. equities are updated daily, U.S. fixed income are updated daily or weekly, except for municipal securities that are updated monthly. Most mutual funds are daily, and investment funds vary by fund.
